TO THE NATIONS

Praise:

- God providing a great furlough, and a good Colombian field conference.
- God bringing us safely back to our apartment we call home.

PJ & Donna Ryan NTM

We are church-planting missionaries with NTM, working in Colombia, South America.

We have been here over 3½ years and are now beginning a more in-depth process of tribal culture investigation after much study of Colombian Spanish and Culture.

We have two daughters, Evelyn & Lillian, ages 7 and 5.

Prayer:

- Developing relationships with many of the Chami Tribe as they partner with their local church.
- *To* possibly help the Pastor and is wife acquire a small farm situated amidst the tribal community.
- Seeing God's will come to pass and involving ourselves in the process
