5TH SUNDAY GIVING

April 30th

Please be in prayer about the part you will play in keeping our missionaries supported and providing support to those preparing to serve on the mission field.

Gene and Carol Trudeau New Tribes Mission

In 1985, Gene and Carol went to the Philippines with NTM. They moved into a remote village in the mountains to study the Manubu language and culture.

Gene and Carol are producing teaching material and have completed translating portions of the OT and the entire NT.

Carol formats and prints teaching material, edits recordings of the NT being done by Manubu' believers in two dialects

(the mountain dialect is now finished) , looks up cross references, and is making a topical concordance in Manubu'.

Praise:

- Gene has made progress on translating Nehemiah and Carol has been editing the recording of the lowland dialect of our New Testament.
- For all the repairs and upgrades made at the mission guest house.

Welcome!

We're so glad you've come to church today!

We're excited to CELEBRATE our RISEN savior, Jesus Christ!

If you're visiting or even if you're looking for a new church home,

PLEASE STOP BY the Welcome Desk in the lobby and pick up a gift from us!

*He is not here;
He's risen,
just as He said.
Come and see!*
