TO THE NATIONS

Praise:

- Tim has completed teaching a class on prayer. As part of their assignment they had to keep a journal and it has been encouraging to read how the Lord is teaching and developing them in this ministry.

Prayer:

- Both Sue and I only have one class remaining before we complete our degrees.
- Tim's discipleship opportunities are picking back up. Pray that he will be discerning for whom t disciple and in what areas.

Tim and Sue Sanford ~

Etnos360-Michigan

Tim and Sue first joined Ethnos360 (formerly NTM) in 1990. Their first assignment was to teach and disciple missionary candidates at the missionary training center in Canada, serving there for 10 years. Then they served with NTM Aviation at the headquarters in AZ as the Director for another 10 years. Following that they served for three years with NTM's Connection Center which encourages and promotes NTM's short-term missions opportunities and challenges people to give their lives as career missionaries. They are presently serving at Ethnos360 Bible School in Michigan, teaching and discipling students in this first phase of Ethnos360's training.
