Week 7: Sharing the Gospel in Various Settings

THE PROBLEM

THE SOLUTION

Admit

Believe

Remember that we said sharing the gospel is like putting together a puzzle. We are trying to display an accurate image of the gospel message.

**We said that missing any pieces,
(especially necessary pieces)
will obscure someone's ability to understand
and believe...**

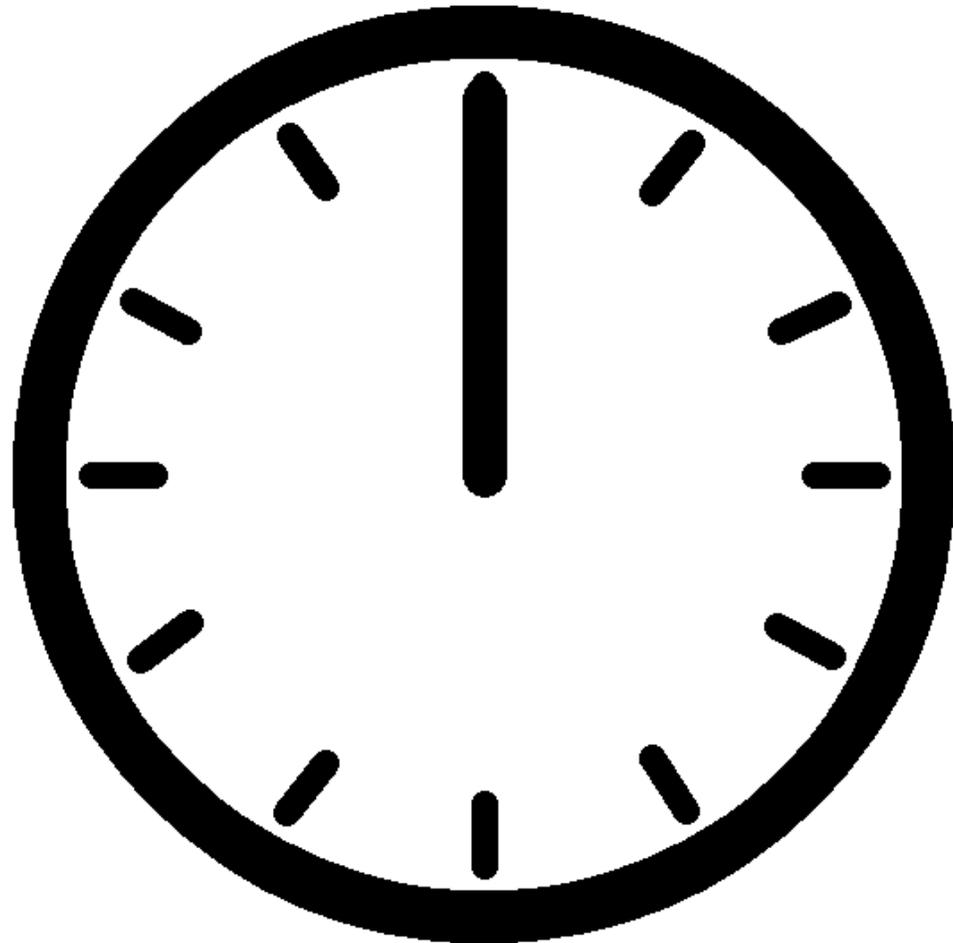

And the more pieces of the whole picture that you have in place, the more likely someone will be able to understand and believe...

**For 7 Weeks I have tried to give
the most accurate and detailed picture
of all the elements of the gospel.**

**I had the luxury of taking as much time
as needed to be as thorough as possible.**

And I wanted to be sure that we were as equipped in the gospel as we could be, for 7 weeks. So that we will be prepared when we step out.

It will be unlikely that we will have the same luxury in the evangelism contexts that we will find ourselves in.

**We will need to determine then,
how much of what we have covered in 7 weeks
is necessary, or even possible
to be covered with our friends.**

**Our Goal
in Evangelism
never changes!**

Our Goal (1)

Is to have people **ADMIT**;
that there is a **GOD** and they
have a great **PROBLEM**
because of **SIN!**

Our Goal (2)

Is to have people **BELIEVE**;
that they can't fix their **SIN**
on their own and trust in the
SOLUTION that **GOD** has
given through Christ in the
GOSPEL.

**The Goal never changes...
but time changes
our approach.**

INFORMATION

TIME

KNOWLEDGE

The more time you have, the more information you can give and the more thorough you can be.

INFORMATION

TIME

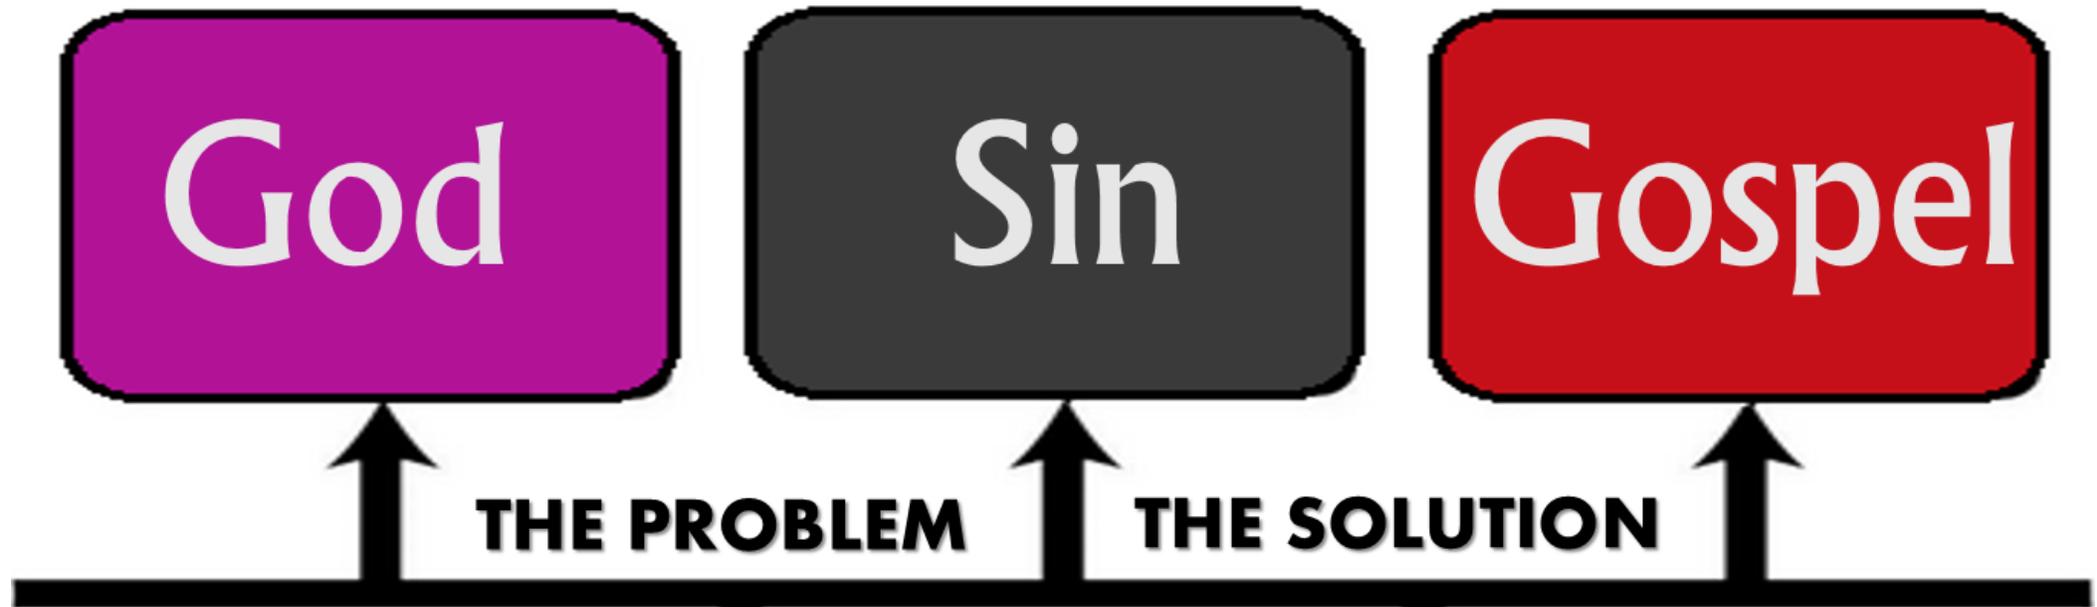

KNOWLEDGE

The less time you have, the less information you can give and the less thorough you can be.

**Our objective is to be
as faithful to the truth as possible
with the time we have.**

Our main objective is to cover **some aspects of all** the necessary elements of the gospel...

Time dictates how many aspects of all the necessary elements we can cover...

God Sin Gospel

God Sin Gospel

God Sin Gospel

Our objective is to avoid getting trapped
(by time) covering **all aspects of some**
necessary elements while neglecting others.

Our objective is always to start small and then expand out as comfort, desire and understanding grows.

**God
is holy.**

**Man
has sinned.**

**Jesus
made a way.**

God
is holy.

Man
has sinned.

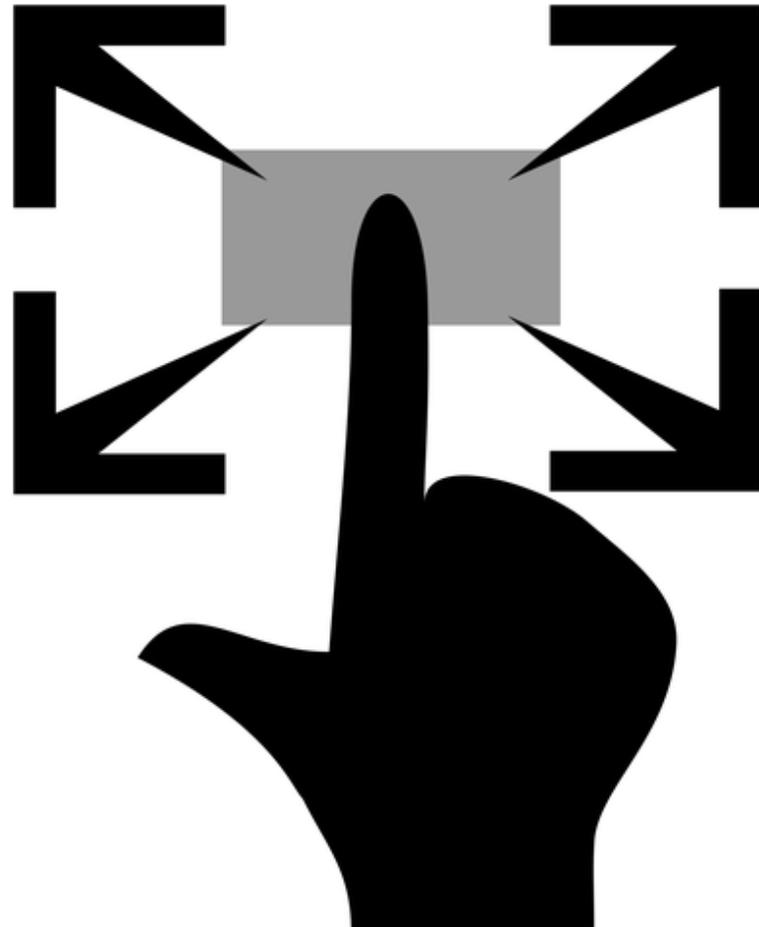

Jesus
made a way.

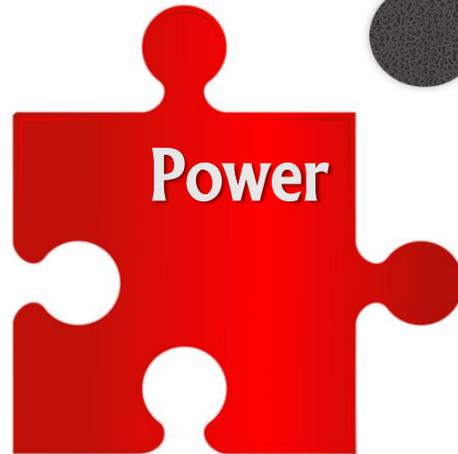

God is the creator
of the world.
Therefore God is
the requirement.
The standard
is perfection.

Man is sinful.
Sin is going against
God's design &
desire. The penalty
for sin is death.

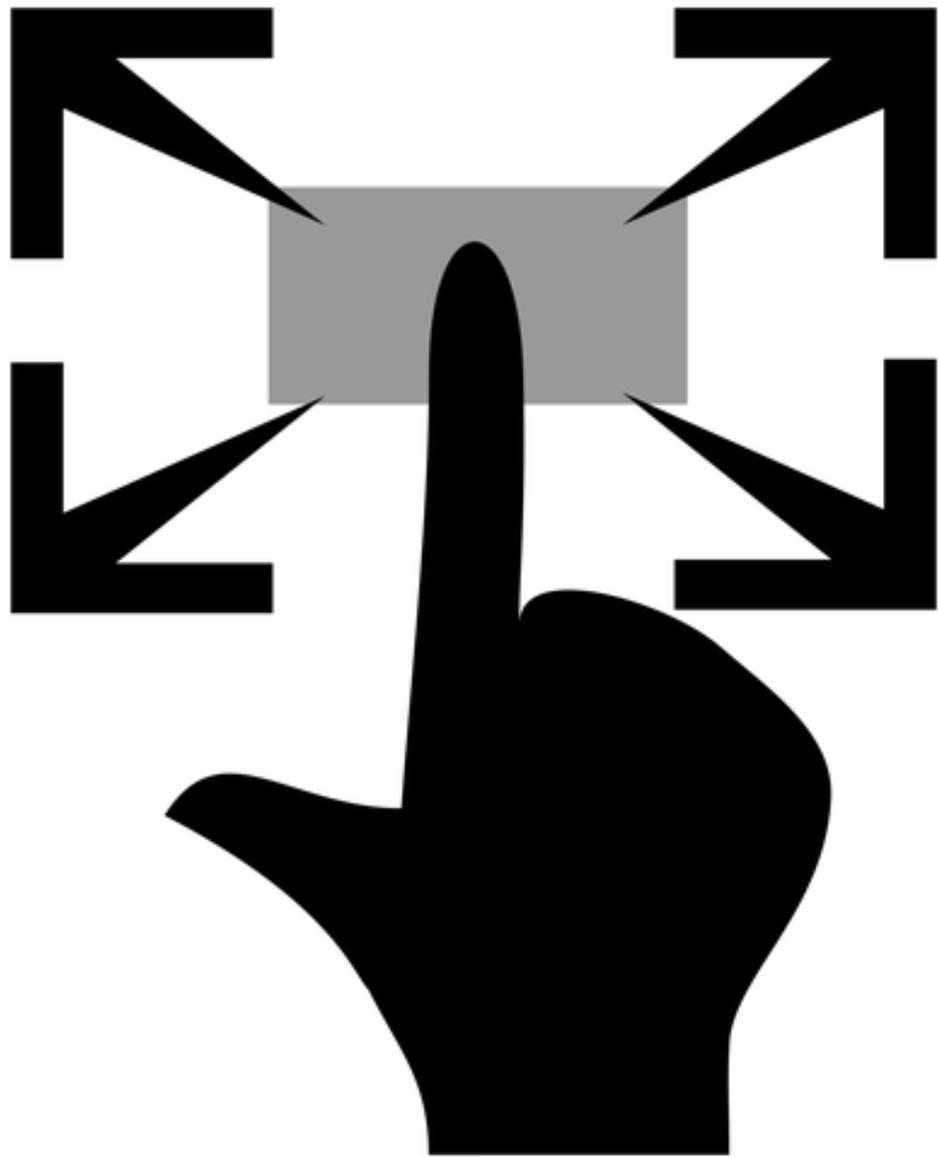

Jesus is God's Son
and was sent to
the world to die in
our place for our
sin debt to God.

The further we are able to zoom out and expand on the subjects at hand, the more likelihood the person will be able to understand.
